ABOUT HLN

Founded in 2017 by solicitors who have experience in setting up and running their law own firms. We know how exciting and rewarding that can be. We also know how challenging it is at times. Hexagon Legal Network (HLN) is about real human connections and helping each other thrive. Our in-person networking events stand out for their warmth and camaraderie. We are all in people's business and trusted advisors, our day job is finding solutions to problems and we do it best together.

Teaming up with HLN to advertise gives you exclusive access to target the today's and future decisionmakers in:

- Legal
- Financial
- Accounting
- IT
- Consultancy field and beyond.

We focus on informing, educating, connecting and collaborating.

We offer custom campaigns and a variety of advertising opportunities, including website banners, sidebar text advertisements, in-content ads, and sponsored posts and reviews to sponsored events and events series. Advertising with us is being exposed to opportunities.

We strictly follow ASA guidelines and Google best practices for advertising.

FEATURED | CONTENT MARKETING

"Consistent, high-quality, and engaging content impacts audience decision-making more than any other technique."

- HubSpot

For one-off sponsored content - blog posts and email features: PLEASE CONTACT US.

EMAIL CAMPAIGNS

Email marketing remains to be the best and most effective method of attracting and retaining customers.

DIGITAL ADVERTISING

Email marketing remains to be the best and most effective method of attracting and retaining clients.

A feature in a monthly newsletter or a bespoke branded campaign over a period of time. Targeted and effective.

DRIVE TRAFFIC TO YOUR WEBSITE

Include links in your message that take your audience directly to your website. Whether it's a hyperlink or a CTA button. Sending readers to your site can positively impact your SEO.

By promoting targeted content, you drive qualified traffic to your site. This tells search engines that you're providing valuable content, which can boost your website's online rankings. Higher rankings lead to more visitors, which can lead to higher ROI.
